Message from the DLL Board

On behalf of the Executive of Dunbar Little League, I welcome all players, managers, coaches, umpires, parents and volunteers to Dunbar's 52nd Season. I know that each of you will have ample opportunities to renew old friendships, forge new ones and take away many memorable experiences. Most important, I know you will all have fun!

2008 was an exciting year for Dunbar Little League. Our Majors team won the District Championship and found themselves in Prince George for the Provincials. There, they ran up a record of 3 wins and 4 losses and impressed many with their skill. This year Dunbar will be hosting the Majors Districts at Currie Field in Memorial Park West from July 9 to 19. We're all looking forward to another successful DLL hosted tournament – a big part of our welcoming tradition.

Take the time to look around – see the smiles – see the joy – watch as 625 players parade onto the field on Opening Day (hopefully not in the snow this year). Watch for the player development in individual skills and team play as the season goes quickly past. Before you know it, by late June, we again parade onto Currie Field for Closing Day Ceremonies. Every year, all the efforts culminate in the formation of the tournament teams as they represent all of Dunbar Little League, and the fun continues for a few more rounds.

Dunbar has always had many volunteers that make it all work so well. Michelle Lim was an amazing DLL President for three years, but since there was no one ready to step in as her successor, a troika consisting of Keith Hamel (secretary), Len Brown (treasurer) and Michelle Lim (past-president) will be running the league this year, with the support of our dedicated Board: Dave Hemer, Joe McDermott, John O'Malley, Andrew Thornley and Sarkis Tegharian. Some veterans will be retiring at the end of 2009, but we are happy to see so many new people step up to the plate to maintain the outstanding legacy of Dunbar Little League.

Look around – see the revamped batting cage (originally built in 2000) – see that great scoreboard (2006), and pitch count display (2007) – see the facilities that we offer at DLL including our concession (1998) - Vancouver's best burgers, hot dogs, and goodies, and it all supports our wonderful league. The best part? Lots of smiles, fun and joy!

To each participant in the experience that is Dunbar Little League, we thank you – and wish you a great season, whether you be a player, coach, concession volunteer, umpire, or other volunteer. "Strive to win, but win or lose, always do your best" is the aspiration for all members of the Dunbar Little League family. Good luck and Let's Play Ball!

On Behalf of the DLL Board – Len Brown

Little League Pledge

I trust in God

I love my country and will respect its laws

I will play fair and strive to win

but win or lose I will always do my best

Principles Of Baseball and Life

By Raymond Angelo Belliotti
Abridged

Play with Honour

Always hustle, and run out every ground ball and pop up. Carry yourself with pride and dignity.

Do not throw equipment in frustration. Never ridicule the other team. Treat them, and yourself, with respect.

Be A Good Teammate

Encourage your teammates, especially after an error, bad pitch, or a strike out. They need your support the most, right after they have made a mistake.

Make No Excuses.

Do not blame teammates, umpires, coaches or fans for your performance. Take responsibility for what happens on the field. Excuses get in the way of learning because mistakes are denied. Be accountable.

Be Relentless.

You are not defeated until you give up. Never surrender.

Win or Lose, Enjoy the Game

Be enthusiastic, and understand that relentless effort is its own reward.

Win with humility, lose with dignity.

Eat, drink and be merry.

Because tonight, someone else is cooking dinner
